The Big B

An annual celebration which takes place at Bryant full of good food, fun games, exciting activities and so much entertainment. This year, The Big B had a Wizard of Oz theme which featured our very own yellow brick road! After the Org Fair, students engaged in many fun activities including face painting, balloon animals, and bungee-trampolining. Festive meals, Laser Tag games, and rounds of Bingo went well into the night leading up to Friday night's talent show.

Saturday consisted of a dodgeball tournament, a Dance sponsored by WJMF and a late night BBQ. Sunday night closed out the celebration with an outdoor movie.

The weekend was put on and sponsored by the Student Programming Board, Greek Life, the Multicultural Student Union, Bryant@Night, WJMF, the Commuter Connection, the Venue, ACE, the Amica Center and the Office of Campus Engagement.

Homecoming

"I am a football player and the atmosphere during homecoming weekend is unreal. I love seeing alumni coming back cheering us on as we try and get a victory for the returning alumni."

- Maduka Nwanekezi

Parents and

Family Weekend

Bryant believes family is an important part of every student's life. Of course, as it is where one learns their values, and where one may seek guidance. For this reason, every year Bryant University hosts a whole weekend to celebrate each students' family. Everyone is encouraged to invite their family to campus and show off their school!

Each year, Bryant offers an interesting number of activities enabling families to really get a feel for the Bryant culture. This year, Friday brought around Eric Diddelman, an "America's Got Talent" semi-finalist, to entertain with his comic mind-reading and standup.

Saturday kicked off with a continental breakfast before the President and Dean's List Reception. A Family Fun Tent was available with caricature artists, novelty freebies, and refreshments!

The day included a football game between Bryant and Duquesne, a Latino Heritage Month Carnival, and the 20th annual Duck Race. A Dinner and Dance Hall was next, with delicious food, and dance instructors teaching everyone to dance through the ages. Saturday night ended with the performance of "The Marriage of Bette and Boo" by the Bryant Players.

Sunday was much more relaxed, opening with the "Golden Age of Jazz" brunch, and another performance of "The Marriage of Bette and Boo" The light scheduling allowed students plenty of time to show their family around campus and show off their projects and achievements!

This year, students were proud to show off their new Fisher Student Center

"It was a cultural explosion that educates people on other countries around the world."

- Chantal Goldson

"Watching my friends be able to show off (while goofing off) their talents gets better with every year! This is an event which I think shows that Bryant is a fun-loving school, and one hardworking man will be crowned the prestigious Mr. Bryant, a role model."

- Margaret Keane

Festival of Lights

"Festival of Lights is an honorable and memorable event at Bryant. The hard work and dedication that goes into planning this event is truly remarkable. I have gone all four years at Bryant and am amazed each and every time. I appreciate not only my own region, but others at this time. The best part is the lighting of the candles that turns the Rotunda into a light filled globe followed by the tree lighting by President Matchley himself."

Spring Weekend

"Moving Springstock into the Fisher Center due to the poor weather made for the best show the station has ever put on! All three acts were fantastic, leaving the Bryant community wanting more!"

- Joseph St. Thomas, General Manager of WJMF
